Independent Auditors' Review Report on the unaudited quarterly financial results of Jana Capital Limited for the quarter and half year ended September 30, 2026 pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors

Jana Capital Limited

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **Jana Capital Limited** (the "Company") for the quarter and half year ended September 30, 2026 (the "Statement"), being submitted by the Company pursuant to the requirements of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

The Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder, and other accounting principles generally accepted in India.

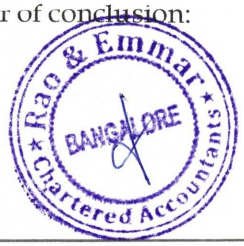

Our responsibility is to express a conclusion on the Statement based on our review.

Scope of Review

Except for the matters described in the Basis for Disclaimer of Conclusion section of our report, we conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Disclaimer of Conclusion

The Company's ability to continue as a going concern is dependent on its ability to meet or restructure its obligations, restore regulatory capital and leverage compliance, realise value from its principal investment, and obtain additional financing. We were unable to obtain sufficient appropriate evidence to assess the feasibility and effectiveness of Management's plans or to determine the adjustments, if any, that may be required to the Statement. The following interrelated matters form the basis of our disclaimer of conclusion:

Offices : Bengaluru, Delhi, Mumbai, Ernakulam, Hyderabad, Puttur (DK), Pune, Durg, Kolhapur, Shimoga, Indore, Porvorim (Goa), Guwahati, Raipur, Surat, Bhopal, Rudrapur, Imphal, Jaipur, Lucknow, Sambalpur, Jamshedpur & Ahmedabad.

1. **Default on the Company's non-convertible debentures and dependence on restructuring.** The Company did not redeem its listed, secured, redeemable non-convertible debentures ("NCDs") (1,33,300 NCDs, comprising 78,700 NCDs listed under Scrip Code 974868 and 54,600 NCDs listed under Scrip Code 975230, as described in Note 9 to the Statement) on their original contractual maturity date of June 30, 2026, which constituted an event of default under the respective Debenture Trust Deeds. Following the missed redemption, India Ratings and Research Private Limited revised the rating assigned to the Company's listed NCDs to 'IND D'. Before the original maturity date, the Company obtained consent from the debenture holders to extend the contractual maturity to December 31, 2026, as evidenced by confirmations from the Debenture Trustee and the debenture holders; BSE Limited, vide its in-principal approval dated June 29, 2026, approved the extension, and the maturity date was revised to December 31, 2026 with effect from September 24, 2026 (BSE Notice No. 20260923-11 dated September 23, 2026), following which the Debenture Trustee executed the necessary supplemental documentation, and the ISINs were changed from INE028U08032 to INE028U08065 and from INE028U08040 to INE028U08073 respectively. As stated in Note 9 to the Statement, the accounting treatment of the modification is to be determined in accordance with Ind AS 109, "Financial Instruments", based on the executed amendment documentation. The extension did not constitute a waiver, settlement or discharge of the Company's obligations, which continue under the amended terms. The Company's ability to discharge these obligations remains dependent on an unresolved restructuring of its borrowings and on the realisation of value from the investments described below.

2. **Concentration in, and recoverability of, the investment in the wholly owned subsidiary.** As described in the Statement, the Company's entire investment is held in its wholly owned subsidiary, Jana Holdings Limited, and is carried at Rs. 19,73,858.62 thousand as at September 30, 2026. Jana Holdings Limited acts as the non-operating financial holding company ("NOFHC") for JSFB. Under the terms of the banking licence granted under Section 22 of the Banking Regulation Act, 1949, the NOFHC is required to comply with paragraph 2(H)(i) of the Reserve Bank of India's Guidelines for Licensing of New Banks in the Private Sector dated February 22, 2013, including maintenance of the prescribed standalone regulatory leverage ratio of 1.25 times.

   As per Jana Holdings Limited's standalone financial results for the quarter and half year ended September 30, 2026, it reported a leverage ratio of 4.42 times against the regulatory threshold of 1.25 times (refer Note 8 to those results), and its Net Owned Fund was negative at Rs. 65,62,059.11 thousand against the minimum of Rs. 50,000 thousand prescribed by the Reserve Bank of India (refer Note 7 to those results). Further, its listed, secured, redeemable NCDs of Rs. 87,33,307.19 thousand (carrying amount as at September 30, 2026) matured on June 30, 2026 and were not redeemed on that date, constituting an event of default. Their maturity was subsequently extended to December 31, 2026 on terms similar to those described in paragraph 1 above, and India Ratings and Research Private Limited revised the rating on those NCDs to 'IND D' (refer Note 5 to those results).

   As disclosed in the Statement, the carrying amount of the Company's investment in Jana Holding Limited increased to Rs. 19,73,858.62 thousand as at September 30, 2026 from Rs. 33,534.50 thousand as at March 31, 2026. The movement corresponds to the change in Jana Holding Limited net worth between those dates from Rs. 33,537.80 thousand to Rs. 19,73,861.95 thousand, based on its standalone financial results and arose primarily from Jana Holding Limited's net profit of Rs. 19,40,324.15 thousand for the half year ended September 30, 2026. That profit was driven by an increase in the quoted market price of shares of JSFB from Rs. 360.15 to Rs. 489.30 per share, net of a capital loss realised by Jana Holding Limited's on the sale of part of its shareholding during the half year (refer Note 6 to Jana

Rao & Emmar BANGALORE Chartered Accountants

Holding Limited's results). The Company recognised a corresponding reversal of previously recognised impairment of Rs. 19,40,324.14 thousand within operating expenses for the half year ended September 30, 2026 (Rs. 12,260.08 thousand for the quarter ended September 30, 2026 and Rs. 19,28,064.06 thousand for the quarter ended June 30, 2026).

The Company's repayment capacity is substantially dependent on the realisable value of this investment and, in turn, on Jana Holding Limited's investment in JSFB. We were unable to obtain sufficient appropriate evidence to assess the consequential effects of the subsidiary's regulatory non-compliances and default on the recoverability and carrying value of the Company's investment, or the resulting effects on the Statement.

3. **Regulatory capital and leverage non-compliances of the Company.** As described in Note 4 to the Statement, the Company is a Non-Banking Financial Institution - Non-Deposit taking - Systemically Important Core Investment Company ("NBFC-CIC-ND-SI") as at September 30, 2026. As at that date:

   (a) the Company's Adjusted Net Worth was 0.14% of its aggregate risk-weighted assets, below the minimum requirement of 30% specified in Section II of Master Direction DoR (NBFC).PD.003/03.10.119/2016-17 dated August 25, 2016, as updated (the "Directions"); and

   (b) the Company's outside liabilities were 707.43 times its Adjusted Net Worth, compared with the maximum of 2.5 times specified in the Directions.

   We were unable to obtain sufficient appropriate evidence regarding the timing and feasibility of Management's plans to restore compliance or to determine the consequential effects, if any, on the Statement.

4. **Measurement and classification of the Company's NCD liability.** As described in Note 9 to the Statement, the Company's NCDs were initially accounted for at amortised cost. Based on confirmations received from the NCD holders/Debenture Trustee, repayment of the NCDs issued by the Company and by Jana Holdings Limited is dependent, on a pari passu basis, on the realisable value of the Company's investment in Jana Holdings Limited and, in turn, Jana Holdings Limited's investment in Jana Small Finance Bank Limited, after deduction of operating expenses, statutory liabilities, taxes and other dues. On that basis, and with reference to Ind AS 109, "Financial Instruments", the Company continues to measure the NCDs at fair value through profit or loss.

   The carrying amount of the NCDs as at September 30, 2026 is Rs. 19,73,858.62 thousand, and a net fair value gain of Rs. 16,10,877.36 thousand has been recognised as an exceptional item in the Statement for the half year ended September 30, 2026 (a gain of Rs. 17,63,340.67 thousand for the quarter ended September 30, 2026 and a loss of Rs. 1,52,463.32 thousand for the quarter ended June 30, 2026), as disclosed in Note 9 to the Statement. The loss for the quarter ended June 30, 2026 represented a reversal of cumulative extinguishment gains recognised in earlier periods. There has been no corresponding change to the contractual terms of the NCDs, and the accounting treatment continues to be based on confirmations from the NCD holders/Debenture Trustee. We were unable to obtain sufficient appropriate evidence to determine whether this classification and measurement are in accordance with Ind AS 109 or to quantify the consequential effects on the Statement. As stated in Note 9 to the Statement, the carrying amount of the NCDs differs from the aggregate contractual redemption obligations under the Debenture Trust Deeds.

   Company privately placed NCDs primarily to fund redemption of debentures falling due. The NCDs were subscribed by the then-existing investors at an investor internal rate of return of 49% accruing

Rao & Emmar Chartered Accountants BANGALORE

annually under the Debenture Trust Deed. Management has represented that, in the circumstances then prevailing, the Company had no practical alternative to accepting that rate in order to meet maturing redemption obligations and avoid default. Management has also represented that the 49% investor internal rate of return is an outlier for which observable market rates suitable for fair-value measurement are not available

5. **Deferred tax on fair value movements.** The Company has not assessed the deferred-tax consequences of temporary differences arising from fair value movements in the NCD liability. Accordingly, we were unable to determine whether any deferred-tax asset or liability, and the related charge or credit, should be recognised under Ind AS 12, "Income Taxes", or to quantify the consequential effects on the Statement.

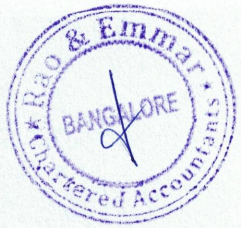

6. **Going concern assessment.** The events and conditions described in paragraphs 1 to 5 above—particularly the defaults by the Company and its wholly owned subsidiary, the Company's severe regulatory capital and leverage non-compliances, the concentration and uncertain recoverability of its principal investment, and its continuing dependence on an unresolved restructuring and additional financing—indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. Management has stated in Note 10 to the Statement that, notwithstanding a net loss of Rs. 9,426.09 thousand for the period ended September 30, 2026 and accumulated losses of Rs. 1,22,87,894.22 thousand, it has initiated steps to raise additional debt and equity, maintain liquidity and improve the leverage ratio, and has therefore prepared the Statement on a going concern basis. However, we were not provided with sufficient appropriate evidence, including supportable cash-flow forecasts, committed financing arrangements and an executable restructuring plan, to evaluate the feasibility of Management's plans or to conclude whether the use of the going concern basis of accounting is appropriate. We were also unable to determine the adjustments, if any, that may be required to the amounts and disclosures in the Statement if the Company is unable to continue as a going concern.ss

The matters described above are interdependent and pervasive to the Statement. Consequently, we were unable to obtain sufficient appropriate evidence to form a basis for a review conclusion.

The matters described in paragraphs 2 to 5 above were also the subject of modifications in our review reports for the quarter ended June 30, 2026, the quarter and half year ended September 30, 2025 and the quarter and nine months ended December 31, 2025, and in our independent auditor's reports on the standalone financial results for the years ended March 31, 2025 and March 31, 2026. The default and related developments described in paragraph 1 arose during the quarter ended June 30, 2026.

Disclaimer of Conclusion

Because of the significance and pervasive nature of the matters described in the Basis for Disclaimer of Conclusion section of our report, we have not been able to obtain sufficient appropriate evidence to provide a basis for a review conclusion on the Statement. Accordingly, we do not express a conclusion on the accompanying Statement of Unaudited Standalone Financial Results of the Company for the quarter and half year ended September 30, 2026.

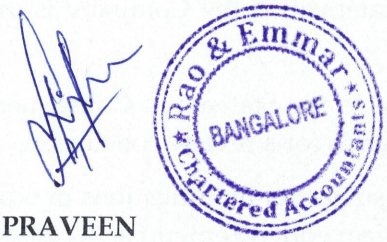

Emphasis of Matter

We draw attention to the following matters. These matters are not the basis for our disclaimer of conclusion:

1. **Proposed scheme of amalgamation.** As described in Note 5 to the Statement, the proposed Scheme of Amalgamation of Jana Holding Limited with the Company under Sections 230 to 232 of the Companies Act, 2013 remains subject to sanction by the Hon'ble National Company Law Tribunal ("NCLT"), Chennai Bench. The Company Petition, C.P.(CAA)/84(CHE)2025 in C.A.(CAA)/52(CHE)2025, was heard on October 7, 2026, when the Hon'ble NCLT reserved the matter for order, which is awaited. The Regional Director (Southern Region), Ministry of Corporate Affairs, submitted a representation dated February 25, 2026 containing observations concerning the Company's financial position, including its negative net worth and adjusted net worth ratios, while raising no objection to the Scheme in principle. The Company has provided clarifications attributing those financial metrics to its strategic capital deployment in JSFB. The Official Liquidator submitted a report to the NCLT on April 14, 2026, which Management is reviewing and in respect of which the Company intends to respond as directed. As the Scheme had neither been sanctioned nor become effective as at September 30, 2026 or up to the date on which the Statement was approved, the Statement has been prepared on a standalone basis without giving effect to the proposed amalgamation. The Income Tax Department, vide its representation dated April 30, 2026, has stated that it has no objection to the Scheme, while reserving its rights in respect of pending proceedings under the Income Tax Act, 1961.

Our disclaimer of conclusion is not in respect of the matters described in this Emphasis of Matter section.

STANDALONE UNAUDITED FINANCIAL RESULTS FOR THE PERIOD ENDED 30 SEPTEMBER 2026
REGULATION 52(1) AND (2) OF THE LISTING REGULATIONS

(₹ in INR '000s)

Notes:

1 The Company is a Non-Banking Financial Institution - Non-Deposit taking - Systemically Important Core Investment Company ("NBFC-CIC-ND-SI") under section 45-IA of the Reserve Bank of India Act, 1934 registered on March 24, 2017.

2 The financial results for the period ended September 30, 2026 have been reviewed by the Audit Committee and recommended for adoption to the Board of Directors. The Board of Directors of the Company have considered and approved the same in its meeting held on 05-Nov-2026.

3 The financial results of the Company have been prepared in accordance with Indian Accounting Standards ('Ind As') notified under Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016, prescribed under Section 133 of the Companies Act 2013 ("the Act") read with relevant rules issued thereunder and other accounting principles generally accepted in India.

4 The Company is a Core Investment Company CIC and its entire investment is in Jana Holdings Limited (JHL) and has no operation of its own. In accordance with Section 45-IA of the RBI Act 1934, and Master Direction DoR (NBFC).PD.003/03.10.119/2016-17 dated August 25, 2016, the Company is required to adhere to the prescribed Capital Requirements according to which the Adjusted Net Worth of a CIC shall at no point of time be less than 30% of its aggregate risk weighted assets on balance sheet and risk adjusted value of off balance sheet items. The Company has breached the prescribed minimum requirement which is at 0.14% as at September 30, 2026.
The Core Investment Companies (Reserve Bank) Directions, 2016, further stipulate that the outside liabilities of a CIC-ND-SI shall at no point in time exceed 2.5 times its Adjusted Net Worth as on date of the last audited balance as at the end of the financial year. During the period ended September 30, 2026 the ratio stands at 707.43 times thereby exceeding the prescribed limits.

5 The Board at its meeting held on October 21, 2019, and December 09, 2019, approved fast-track method for merging Jana Holdings Limited (JHL), being the wholly owned Non-Operating Financial Holding Company (NOFHC), with its Holding as well as Core Investment Company, Jana Capital Limited, after receiving the In-principle approval from the RBI on 10th August 2020. As per the existing guidelines, the requirement of having a NOFHC has been dispensed with by the RBI for setting up small finance Banks and Universal Banks. Further, such a merger of the wholly owned subsidiary with the Holding Company will simplify the compliances reported to various Regulatory Authorities, besides resulting in lower operating costs. After the receipt of the in-principle approval from the RBI, the Board of Directors of the transferor and the Transferee Companies met on 24th August 2020 and approved the Scheme of Amalgamation of Jana Holdings Limited (Wholly Owned subs1dlary) with Jana capital Limited (Holding Company).
Jana Capital limited, transferee Company, submitted necessary application to the Regional Director, South-East Region, Ministry of Corporate Affairs, Hyderabad, on 6th November 2020 for obtaining approval of Amalgamation under Section 233 of the Companies Act, 2013. Regional Director, Ministry of Company Affairs, Hyderabad, vide letter dated 26th March 2021 rejected the application filed on 6th November 2020 for the merger of JHL with JCL, since JHL had obtained consent from the creditors to the extent of 82.78% in value as against the minimum threshold of consent from 90% of the creditors in value as required under Section 233 of the Companies Act, 2013 and, as such, the provisions of Section 233(1)(d) could not be fully complied with. The Board of Directors considered the aforesaid rejection order and resolved to file fresh merger
application subject to the approval of the Scheme by the Board of Directors, Shareholders, Creditors, and such other authorities as may be required. Accordingly, the Board of directors of both Jana Holdings Limited and Jana Capital Limited on November 14, 2022, have once again approved the scheme of amalgamation and resolved to apply afresh for the merger of the company with Jana Capital Limited, the Holding Company. In line with the decision of the Board of Directors, the company has taken steps to obtain affidavit in the prescribed Formats from the creditors and shareholders for the merger.
However. the Company, in the meanwhile, received a request from Jana Small Finance Bank Limited (JSFBJ regarding the merger and, due to certain commercial considerations, the Company has decided to put the merger on hold till the listing process of the Jana Small Finance Bank Is completed. JSFB shares have been listed with effect from 14th February 2024.

The Company received the In-principle approval afresh from RBI on July 29, 2024. Further, in order to mitigate the stamp duty implications associated with the approval of the merger scheme by the NCLT, the Company shifted its registered office from the State of Karnataka to the State of Tamil Nadu w.e.f. January 24, 2025, basis the approval of the Regional Director South East Region, Hyderabad, Ministry of Corporate Affair and other regulatory approvals and consequently the Clause II of the Memorandum of Association of the Company was altered to that extent.
The Board re-approved the draft scheme of amalgamation on February 3, 2025, as the previous approval was dated.The Company has obtained the consent from all the shareholders and debenture holders in the prescribed format. The Company has applied to the BSE for its in-principle approval and the same has been further commended to SEBI for approval. The Company has responded the queries raised by SEBI and the company has received the NOC from the BSE for the Merger.
In response to such notices, the Regional Director (Southern Region), Ministry of Corporate Affairs, submitted a representation on February 25, 2026. While no objection to the Scheme was raised in principle, certain observations were made in relation to the Company's financial position, particularly its negative net worth and adjusted net worth ratios. The Company has provided detailed clarifications, stating that these financial metrics are a direct consequence of strategic capital deployment into its operating entity, Jana Small Finance Bank Limited, and do not indicate any erosion of underlying value or adverse impact on stakeholders. It has also been submitted that the proposed amalgamation will strengthen the consolidated capital base and enable more efficient capital allocation across the group.

Notes:

The Official Liquidator report had submitted his report via email to the Hon'ble Tribunal in the late evening of April 14, 2026, i.e., immediately preceding the scheduled hearing. A copy of the said report was also shared by the OL's office with the Company. The Company is currently in the process of reviewing the contents of the report, and remains prepared to submit appropriate responses or clarifications, as may be directed by the Hon'ble Tribunal, thereby ensuring that the OL's observations are comprehensively addressed.
Further, it was brought to the attention of the Hon'ble Bench that both JHL and JCL have shifted their registered offices from Bengaluru to Hosur, resulting in a change in jurisdiction of the Income Tax Department to Salem Circle 1(1). In view of this transition, and considering that the officials concerned were engaged in election-related duties, the Income Tax Department sought additional time to file its representation. Taking cognizance of these administrative developments, along with the scheduled summer vacation of the Hon'ble NCLT during the month of May 2026, the matter has been adjourned to September 1, 2026.
The Income Tax Department, vide its representation/report dated April 30, 2026 filed before the Hon'ble NCLT, Chennai Bench, has stated that it has no objection to the proposed Scheme of Amalgamation between Jana Holdings Limited and Jana Capital Limited. The representation primarily records that the Department reserves its rights to proceed in accordance with the provisions of the Income Tax Act, 1961, in relation to pending assessment and other tax proceedings, if any, in the ordinary course. The Company continues to extend necessary cooperation and remains compliant with applicable statutory and regulatory requirements.
The management remains confident of obtaining the requisite approvals and final sanction of the Scheme in due course. The proposed amalgamation continues to be a key strategic initiative aimed at achieving regulatory alignment, enhancing operational efficiency, and strengthening the overall financial and governance framework of the group.

The Board of Directors of Jana Holdings Limited ("JHL" or the "Transferor Company") and Jana Capital Limited ("JCL" or the "Transferee Company") have approved a Scheme of Amalgamation ("the Scheme") under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, providing for the amalgamation of JHL with JCL. The proposed amalgamation is intended to simplify the Group's holding structure, consolidate the holding company framework, eliminate duplication of corporate and regulatory compliances, enhance governance and operational efficiencies, and facilitate more efficient management of the Group's affairs.
As disclosed in the previous financial statements, the Scheme has received the requisite approvals from the concerned regulatory authorities and is pending sanction by the Hon'ble National Company Law Tribunal ("NCLT"), Chennai Bench. The Company Petition in relation to the Scheme, being C.P.(CAA)/84(CHE)2025 in C.A.(CAA)/52(CHE)2025, was listed before the Hon'ble NCLT on various dates during the intervening period. At the hearing held on 7 October 2026, the Petitioner was represented through its counsel, and appearances were also made on behalf of the Regional Director, the Official Liquidator and the Income Tax Department. After hearing about the matter, the Hon'ble NCLT reserved the matter for order.
Accordingly, as at 30 September 2026, the Scheme had not attained finality and continued to be pending judicial sanction by the Hon'ble NCLT. Further, as per the order sheet dated 7 October 2026, the matter has been heard and reserved for order; the final order of the Hon'ble NCLT is awaited. Upon sanction of the Scheme by the Hon'ble NCLT and filing of the certified copy of the order with the Registrar of Companies in accordance with the applicable provisions of the Companies Act, 2013, the Scheme shall become effective in accordance with its terms. Upon the Scheme becoming effective, the assets, liabilities, rights, obligations, contracts and undertakings of JHL shall stand transferred to and vest in JCL, and JHL shall stand dissolved without undergoing the process of winding up, in accordance with Section 232 of the Companies Act, 2013 and the terms of the Scheme.
The Management does not expect any material adverse impact on the financial position or operations of the Company solely as a consequence of the Scheme remaining pending judicial sanction. Accordingly, the accompanying financial statements for the period ended 30 September 2026 have been prepared on a standalone basis, without giving effect to the proposed amalgamation, as the Scheme had not become effective as at the reporting date.
The timeline for pronouncing the final order has not been specified by the Hon'ble NCLT. Based on the present stage of the proceedings, wherein the matter has been heard and reserved for order, the Company tentatively expects the final order during the ensuing months, subject to the schedule and directions of the Hon'ble NCLT. However, the actual timeline for pronouncing the order remains uncertain and is beyond the control of the Company.

6 The Company is Core Investment Company and has classified this as its business segment and accordingly there are no separate reportable segments in accordance with Ind AS 108 "Operating Segment".

7 Reserves include Statutory Reserve as per Section 45-IC of Reserve Bank of India Act 1934, balance in securities premium and retained earnings.

8 As per Small Finance Bank Licensing Guidelines issued by the RBI, the equity shares of the Bank are required to be listed on a stock exchange in India within three years from the date of commencement of banking business i.e., March 27, 2021. The IPO of equity shares of Jana Small Finance Bank Ltd has been completed and now the shares are listed in the stock exchanges with effect from 14th February 2024.

REGULATION 52(1) AND (2) OF THE LISTING REGULATIONS

(₹ in INR '000s)

Notes:

9 The Company does not carry on any independent operations or revenue-generating activities.The Non-Convertible Debentures issued which has been initially recognized at amortized cost has been de-recognised during the financial year 2025-2026 and recognised at Fair Value through Profit & Loss as the ability of the company to redeem the NCDs and meet associated financial commitments is wholly dependent on the performance and monetization of its investment in the Operating Entity being Jana Small Finance Bank. The resultant gain / loss arising on account of such de-recognition of financial liability at amortized cost to recognition at FVTPL has been recognised as an exceptional item in the statement of profil and loss. The same has been followed during the Financial Year 2025-2026.
The following material risks have been considered in the fair valuation of the NCDs:
• Non-Performance Risk: The underlying asset – the investment in the Operating Entity – is subject to business, regulatory, and financial uncertainties that may adversely affect its ability to generate distributable returns.
• Refinancing Risk: The Company has no alternative funding avenues or internal accruals to refinance or discharge the NCDs upon maturity.
• Absence of Revenue Streams: With no operating income, the Company's only avenue for repayment of the NCDs is the successful divestment of its stake in the Operating Entity.
• Speculative Asset Valuation: The fair value of the investment is volatile and subject to market speculation, with no guaranteed exit mechanism or valuation assurance.

Further references from relevant clauses of IND AS standards as mentioned below has been considered in adopting the said treatment namely:
In accordance with Ind AS 113, Fair Value Measurement, the fair value of the Company's Non-Convertible Debentures reflects the impact of non-performance risk, as outlined in paragraphs 42 to 44 of the standard. Given that the debentures were derecognized and re-recognized considering extinguishment accounting, resulting in a substantial modification, and are measured at Fair Value through Profit or Loss (FVTPL) due to their linkage to the investment in Jana Small Finance Bank, the fair valuation incorporates the risks associated with the Company's reliance on the performance and monetization of this investment.
In accordance with Ind AS 109, Financial Instruments, the Company's Non-Convertible Debentures were derecognized and re-recognized considering extinguishment accounting, resulting in a substantial modification, with the difference taken to the Profit and Loss Account as an exceptional item. Given the linkage to the investment in Jana Small Finance Bank, the debentures are measured at Fair Value through Profit or Loss (FVTPL). As per paragraphs 5.7.7 and 5.7.8 of Ind AS 109, changes in the fair value of financial liabilities are disaggregated between changes attributable to credit risk and other changes. Since the fair value movement is primarily attributable to Asset-Specific Performance Risk, being the risk that the equity investment may not yield realizable value, and not credit risk, the entire fair value adjustment has been recognized in the Statement of Profit and Loss, consistent with paragraph B5.7.15(b) of Ind AS 109.

The Company has outstanding listed, secured, redeemable Non-Convertible Debentures ("NCDs") issued under the respective Debenture Trust Deeds ("DTDs"), the original contractual maturity of which was 30 June 2026. Prior to the original maturity date, the Company initiated discussions with the Debenture Trustee and the respective debenture holders for extension of the maturity of the outstanding NCDs. Pursuant thereto, the requisite consent of the debenture holders was obtained for extension of the contractual maturity from 30 June 2026 to 31 December 2026. Consequent upon receipt of such consent, BSE Limited, vide its in-principal approval dated 29 June 2026, approved the extension of the maturity of the listed NCDs, following which the Debenture Trustee executed the necessary supplemental documentation to give effect to the revised contractual maturity.

The consent accorded by the debenture holders was specifically restricted to the extension of the maturity period and did not constitute a waiver, settlement, compromise or discharge of the Company's contractual obligations under the respective Debenture Trust Deeds. Accordingly, the contractual rights of the debenture holders and the corresponding obligations of the Company continue to subsist in accordance with the amended terms governing the NCDs.

During the period, India Ratings and Research Private Limited (Ind-Ra) revised the credit rating assigned to the Company's listed Non-Convertible Debentures to 'IND D', following the original scheduled redemption date of 30 June 2026. Subsequent to obtaining the requisite approvals for extension of the maturity of the NCDs, the Company continues to engage with the Debenture Trustee and the debenture holders with a view to arriving at a comprehensive and mutually acceptable resolution of the outstanding borrowings.

For the purposes of these financial statements, the outstanding financial liabilities have been recognised and measured in accordance with the Company's accounting policy under Ind AS 109 – Financial Instruments. The carrying amount of the financial liabilities has been determined using an appropriate valuation methodology, having regard to the fair value of the Company's investment in Jana Small Finance Bank Limited, being the Company's principal underlying asset. Accordingly, the carrying amount of the financial liabilities recognised in these financial statements as at 30 June 2026 differs from the aggregate contractual redemption obligations of the Company under the respective Debenture Trust Deeds.
